Dear WestSac Supporter,

The West Sacramento Foundation is inviting your non-profit organization to participate in our "ALL CHARITIES RAFFLE". This is a new effort on our part that we believe could be a benefit to your organization. Over the years, the Foundation has raised, and distributed, over a quarter of a million dollars to local non-profits such as yours. We believe this raffle will allow all of us to work together to raise even more funds for our community.

What is an "ALL CHARITIES RAFFLE?" The Foundation does all the work to put together the raffle, gathering the prizes, coordinating the tickets, advertising, and coordinates the drawing. This allows your group to only focus on selling tickets. Commitments have already been made for prizes that will include a trip to a Broadway show, a \$1000 gasoline card, a Big Screen TV, and other great gifts donated by local businesses.

What is in it for you group? Your group will sell tickets for \$10. The Foundation will return \$9.00 to your group. A 90% return is better than most of us make when our volunteers sell things like candy bars or spend a day selling hot dogs. Just think, if your group sells 100 tickets, you've just raised \$900 with no expenses. Some local stores will allow your group to have ticket sales days at their locations. After our expenses, any surplus of our 10% will be used for future grants.

If you would like to participate, you need to talk it over with your group, turn in a signed interest form, get your tickets, and start selling the tickets. For additional information, please contact our Executive Director, Charles Moore at 417-5623, or our Event Coordinator, Katherine Van Diest at 832-8965.

Sincerely Yours,

A handwritten signature in blue ink that reads "Joe Goeden".
